CS 346: Meeting Minutes

Date: March 1, 2023   Team: 105

Present: Parathan, Rebecca

Absent: Diana & Hamzah

Agenda

- decide what tickets should be completed this sprint
- divide up tickets

Notes

- We will complete the low and medium priority tickets by Friday and meet to discuss higher priority tickets like web service.

Decisions

- Rebecca is working on searching, disable duplicate names and researching web service
- Hamzah is working on rich text implementation
- Diana is working on light/dark mode and testing

- Parathan is working on database and web service

Actions

- we will keep each other up to date on any changes made to the main branch or codebase
